

9(NINE)-POINT ADVISORY FOR STUDENTS

Dear Students,

Your college life is the foundation for your future. Make the best use of these important years by maintaining discipline, focusing on academics and developing your talents and personality.

1. **Follow the College Uniform/Dress Code:** Come to College in the proper prescribed Uniform/Dress Code every day. Follow the dress code strictly and without any deviation. Do not disclose religious identity through attire or accessories within the College campus.
2. **Attend Classes Regularly:** Attend all classes as per the routine. Every subject/paper is important for achieving a good SGPA and CGPA. Do not miss classes unnecessarily.
3. **Maintain Minimum 70% Attendance:** A minimum of 70% class attendance is required for appearing in examinations and for availing certain Government schemes/benefits. Therefore, maintain at least 70% attendance in each subject separately.
4. **Study Regularly and Avoid Backlogs:** Read regularly, revise your lessons and prepare well for examinations. Try to secure good marks in every paper so that the question of arrear or backlog does not arise. Students with backlogs may not be eligible for fee waiver and certain other benefits.
5. **Maintain Discipline and Good Conduct:** Follow all rules, regulations and the Code of Conduct of the College. Do not get involved in indiscipline, clashes, violence, ragging or any activity that may disturb the peaceful academic environment of the College.
6. **Say No to Tobacco, Drugs and Alcohol:** The use, possession and consumption of gutkha, tobacco, cigarettes, alcohol, drugs and other intoxicating substances are strictly prohibited in the College campus. Do not fall into the trap of addiction. Protect your health, dignity and future.
7. **Make the Library Your Habit:** Develop the habit of visiting the College Library regularly. Make full use of books, journals and other learning resources.
8. **Give Importance to Internal Assessment:** Under the new academic system, 40% marks are assigned to internal assessment. Therefore, maintain a proper balance between regular academic work and co-curricular activities. Take internal examinations, assignments, presentations and other academic activities seriously and strive for good marks.
9. **Participate, Perform and Enjoy College Life:** Take part in cultural, literary, sports and other activities. Discover your talents and try to win prizes and recognition in different categories. Enjoy your college days to the fullest-but with discipline, responsibility and respect for others.

Principal,
Murazar College
